Continuation of Substance of Interview including description of the general nature of what was discussed:  
Continuation of rejections discussed: The applicant was contacted to review the RCE request dated 6/28/10. The examiner explained that a new claim set was not sent with the request and the examiner would be willing to discuss putting the application in condition for allowance if the applicant was amendable to adding more concrete structural language to claim 1 and choosing one embodiment to pursue. The examiner also noted that the applicant may have until January 14 to work out this allowable subject matter and if an agreement wasn't reached. An action made final would ensue on that date. .
